

Healing Touch Service Grant Guide

The Healing Touch Worldwide Foundation provides grants for voluntary Healing Touch Treatments and Healing Touch Education. Service grants are intended to grow awareness of Healing Touch and provide an opportunity for our communities to experience subtle energy and its benefits.

Criteria:

- Volunteering Healing Touch through education, awareness and sessions.

Expenses considered for reimbursement:

- Supplies needed for the event: water, snacks, etc.
- Publicity expenses: handouts, flyers or signs, etc.
- Charitable service mileage for miles driven, at \$0.14 per mile.
- Facility expense.

Example of Service grants:

- Possible venue: health or wellness clinic, churches, community events, Hospice, senior living facilities, city and community shelters, ect....
- Healing Touch educational outreach.
- Healing Touch for Animals educational demonstration at animal shelters or events.
- Support travel cost for Healing Touch presentations at Health and Wellness Conferences.

Grant process:

- Complete/submit the 8-question online application 6-8 weeks prior to the event.
- If approved: download, complete and email the final report within 30 days of the event. Include copies of all receipts for approved expenses and 2-5 digital pictures.

NOT REIMBURSED IN THIS GRANT - At this time, HTWF is unable to provide compensation for Healing Touch services
